# INTI RAYMI FESTIVAL PROGRAM

Rates  
Terms and Conditions

*For the Incas, the winter solstice sunrise marked the beginning of a new calendar year and was celebrated throughout the land, especially at their most sacred sites. Inti Raymi, Quechua for 'Sun Festival', was borne from these celebrations, and has become the most important festival in Cusco, especially since the sun was one of the most revered Inca deities. Although the celebration lasts for a week, the opening day of colorful processions and elaborate re-enactments of revered Inca ceremonies draws a crowd of thousands from the city, as well as Andean people from the highland communities and visitors from every corner of the planet.*

*During the Inti Raymi Festival Program, not only will you join the celebration, but you will also journey through sacred temples throughout Cusco. Archaeologists believe that the Incas regarded Cusco as the 'sun center' of their empire, and that these temples were constructed in four separate directions along imaginary lines originating in the heart of the city, much like rays that emanate from the sun, also aligned with notable constellations like the Milky Way and the Southern Cross. Join us and explore this ancient architectural 'code' to learn how and why traditional Andean communities maintain the traditions of their Inca forbears.*
