This year's survey encouraged T+L readers to rate their favorite tour operators, hotels, cities, experiences, and more in an effort to reinvigorate travel by featuring the best of the best. Voting was open from January 11 through May 10, 2021, as destinations around the world, including Peru, were lifting COVID-19 restrictions and opening their borders to tourism once again. Considerations for the tour operator category included excellence with staff/guides, itineraries, activities, accommodation, food, and overall value.

"We are proud and grateful to be recognized as a World's Best tour operator by Travel + Leisure readers. Thanks to all the amazing travelers from around the world who cast their vote! Even during these unprecedented times, travel continues to be a lifeline for many, providing an escape from the everyday and an opportunity to enrich our lives.
